

Dairy Rectangular Attenuators

Designed specifically for the Dairy industry.

Dairy Rectangular Attenuators are similar to NCM/NCM Rectangular Attenuators but are manufactured from industrial stainless steel.

NCS Acoustics design, manufacture and install a complete solution, including connections and access, specifically for the Dairy Industry's unique requirements.

- Designed and manufactured to individual requirements.
- Industrial stainless steel construction.
- Melinex lined.
- Stainless steel container latches and hinges.
- Access doors and for cleaning on site.
- Removable splitters.

For more information see the NCT/NCS/NSM/NTM Rectangular Attenuators brochures and contact us.
